

HOW TO FIND OUR BOATS AT SAUL JUNCTION.
Saul Junction is 10 miles south of Gloucester
Postcode: GL2 7LA

If lost call our Skipper: 07836 238249

Turn off the A38 onto the B4071 and after a mile or so take the first turning right.

This will also sign you to the Canal.

Proceed along this road for approx. ½ mile and take the turning left, also signed to the canal.

Cross the bridge and turn right immediately down the towpath past The Stables Café.

Keep driving as far as you can down the towpath when you will come to a very large carpark (having ignored the little parking areas along the side of the towpath).

There you will see our two very large green and red boats, 'Spirit of Freedom II' and Leonard Matchan.

We look forward to greeting you.
